Fill in all the required information and then choose the "Continue" button to create your account.

- your information is available to you only; and
- your identity is validated on your return visits.

If you are a current or former student of a designated institution, you may be able to use your student ID card to verify your identity. If you are a current or former member of a designated organization, you may be able to use your membership card to verify your identity.

Enter the following information to create your account:

Citizenship (Name)

* Email address (required)

* Preferred language of verification (required)

The screenshot shows the IRCC secure account interface. At the top, there are navigation links for 'Government' and 'Gouvernement'. Below this, a user is signed in as 'borge'. The main content area is divided into three sections:

- View the applications you submitted:** This section includes a search bar and a table header with columns for Application type, Application number, Applicant name, Date submitted, Current status, and Messages. The table currently displays 'No data available in table'.
- Continue an application you haven't submitted:** This section also features a search bar and a table header, with the table displaying 'No data available in table'.
- Start an application:** This section contains a list of application types, with 'Apply for temporary health services as a Citizen in a hospital' highlighted by a green box. Below this, there is a note: 'For approved study permit holders only. Tell us if you are changing designated learning institutions. You will need your application number.'
